

## **Stand Together for Marriage Rally Guidelines for Signs**

This document provides some guidelines for those who are interested in bringing signs to the rally. At last year's rally, a number of people brought signs with hateful messages. These types of signs actually hurt our cause and will not be tolerated at this year's rally. If you wish to make signs, here are some suggested slogans from which you can select:

- Protect Marriage from Activist Judges
- Let the People Vote!
- Kids Need a Mom and a Dad
- Defend the Right of a Child to a Mother and a Father
- This is Not About Civil Rights
- Civil Unions are Same-Sex Marriages by Another Name
- It's Simple: Either You're for Marriage or You're Against It
- Accept No Counterfeits – Support Bill Number SF1691
- Senators: Stop Playing Politics with the Future of Minnesota Families
- Minnesotans will Remember in November 2006
